

## Animation

The campsite is a **grassy meadow** within a **tranquil pine grove**, providing welcome shade in the summer and a picturesque setting in winter.

**Access to the site is by a paved road**, open all the year round, and suitable for coaches, campers and caravans.

From 1 January until 31 December **we will always be ready to welcome you, from 7 am until midnight**. And for friendly night owls we will get up in the middle of the night!

The site has **10 chalets**, a small **bar and market** selling essential items and a comfortable **common room**. A **picnic area** with barbecues is also at the disposal of our guests.

In summer, our young **entertainments staff** organise games and competitions, as well as karaoke and dance music evenings, in a specially set-aside area of 2000 square metres, that's perfectly safe and fun for kids and adults alike.

**The village of Ossana, only 500 metres away**, has a post office, bank, small supermarket, newsagent and tobacconist, cinema, library and the little church of San Michele. It also offers pizzerias and

fine restaurants serving the typical dishes of this rich, generous region.

The surrounding countryside is also good for sport lovers. In only ten minutes time a **free bus** will take you to the ski resorts of **Tonale** (excellent for both summer and winter skiing), **Marilleva/Folgarida and Pejo** where you can practice both downhill and crosscountry skiing. In Cusiano, a nearby village, you may watch the Italian national trampoline team.

Alternatively, why not trying **archery, horse riding, trekking, miniature golf**, and a good long swim at Malé swimming pool? ... and, if that is not enough and you still have some energy left, why not try challenging the rapids in a **kayak, a canoe** or a **raft**!?

Not to be missed the **cycling path in front of Camping Cavedale** which runs along the river Noce, among apple orchards and grass beside the mountain slopes covered with woods, with a 30 kilometres track for citybikes and cyclists. Your family will enjoy walking along the **several paths** that will take you from the campsite up to the crystal blue lakes and animal watching sites, where you

may see marmots, red and roe deer.

Cavedale is one of only a handful of Italian campsites to be awarded the **Ecolabel**, which bears witness to our commitment to the environment, water and energy conservation and correct waste disposal. Nicolò, former forest ranger, will answer all your questions about the flora and the fauna and you may have the chance to see the many squirrels that live in our pine trees.

A **free camping card** will provide you with some convenient discounts in shops, restaurants and in the many local spas, as well as in the Terme di Pejo.

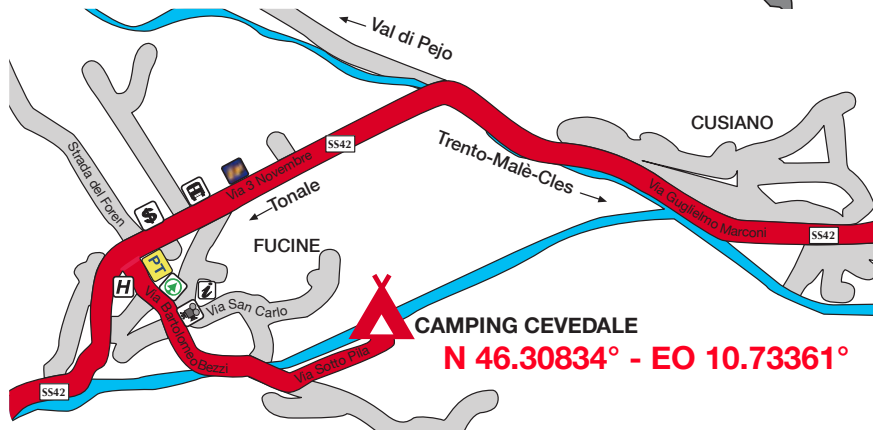

If, on the contrary, you only wish to enjoy relaxing hours sunbathing and reading a good book or to surf the net with our **WiFi** system, you will find the **peace and quiet** that you are looking for.

We are all **animal** lovers, but unfortunately pets are not allowed on the site.
