CAMPING ★★★★★
LAQUERCIA®

Welcome

LAZISE SUL GARDA · VERONA · ITALY

Family Russo 1958

THIS IS LA QUERCIA

A family holiday on Lake Garda. Great fun in a relaxed, friendly atmosphere surrounded by nature.

Thanks to its unique position, within a natural park situated directly on the lakeside, Camping la Quercia is the best holiday choice for those looking to relax and enjoy the numerous fun activities provided: sports, culture, gastronomy, parks and shopping. La Quercia was the first 4 star campsite on Lake Garda, and ever since its conception in 1958 it has been run, with firm and continued passion, by the family that founded it.

THE COUNTRYSIDE

A place to dream.

We are located in Lazise on the south-eastern shore of Lake Garda. The beauty of the surrounding countryside will astound you: Lake Garda itself: the rivers, Mincio and Adige: the valleys of Valdadige and Valpolicella: the morainic hills: the mountains of Baldo and Lessinia. The wealth of history and culture found both in the local lakeside villages and the nearby cities of Verona and Mantua. Local wines and gastronomy also enjoy a "tasty" tradition: olive oil, Bardolino and Custoza wine, Monte Veronese cheese and fresh fish from the lake.

OUR EXCELLENCE

- **Greenery:** A unique, 20 hectare park of trees, flowers and typical lakeside vegetation.
- **Situation:** On the lakeside with the village of Lazise just a short walk away along the beach. Good connections both by bus and boat to the main places of local interest.
- **Beach:** Our beach is the biggest on Lake Garda (approximately 6500 m²). It's also the only beach made of natural sand.
- **Friendliness:** Our staff will welcome you with a smile and are ready to assist with any request you should have during your stay.
- **A pride in cleanliness:** We're sure you will appreciate how clean we keep our green areas; our toilet blocks; our beach; and every other aspect of the campsite.
- **Security:** The safety and security of our guests is paramount! We are certified OHSAS 18001 for security and have procedures for the prevention and/or control of emergencies: and measures to resolve emergencies should they arise.

- **Health care:** A doctor/paediatrician is present or on call. Items for first aid and AED can be found in strategic positions throughout the campsite.
- **Fire fighting:** Fire extinguishers are located all around the campsite, there is a fire-fighting vehicle by the reception and an emergency team trained in fire fighting.
