1) ARRIVAL

A. REGISTRATION

On arriving at the holiday park, guests must park their vehicles in the outside car park and report immediately to Reception in order to register. Each guest must show a valid document as required under current legislation. Guests should take the opportunity to read the internal regulations. Management reserves the right not to admit guests who do not exhibit proper means of identification or who do not comply with the regulations of the holiday park. MINORS are admitted only if accompanied by parents.

B. WRISTBAND

Upon arrival, all guests need to go to reception where they will be issued a microchipped ID wristband, which will be put on by a member of staff and must be worn on the wrist at all times during the day. A wristband identifies guests in the daytime and gives access to the holiday park via turnstiles, pedestrian areas, beach and swimming-pool area. The wristband is also essential for any operation at the reception offices.

Anyone without a wristband may be asked by management to leave the holiday park.

C. OPENING HOURS OF RECEPTION AND CASH DESK OFFICE

Reception is open between 7 a.m. and 10 p.m. Guests may arrive during these hours. The Cash desk office is open as follows: Low and Mid-season from 8 a.m. to midday and from 4 p.m. to 6 p.m.; High Season from 8 a.m. to midday and from 4 p.m. to 7 p.m. For on-site payments we accept cash up to a maximum of € 999.99 (as per the law of 9 December 2019, n. 157) or credit cards. Payments by check are not allowed. All guests are asked to use the safe deposit boxes to safeguard all their

valuables and property. These are located at the reception and are accessible during Cash desk office open hours.

D. ALLOCATION OF CAMPING AREA

Camping pitches are allocated by Management who may consider guests' requests depending on the circumstances. Booking of campsites guarantees only occupation in the zones available at the time of arrival. A maximum of one set of camping equipment may be installed in each camping area. A maximum of one car with one tent, one car with a caravan or one camper is permitted per camping area; a separate fee will be charged for any further equipment. The camping areas and toilet facilities will be opened in the order set down by Management based on the number of guests present.

E. ALLOCATION OF THE LIVING ACCOMMODATION

The management may give priority to guests' requests for a certain type of bungalow, maxicaravan or preferred area, but cannot guarantee it. The staff have the right to modify the guest's request, according to availability, without prior notice. The daily rate includes one car parking space only; a separate charge will be made for an additional car, which must be left in the outside carpark (unattended). **You can check into the holiday park from 12 p.m. onwards. Living accommodations will be available from 3 p.m. onwards in Low Season and from 5 p.m. onwards in Mid and High season. Guests must pay the provisional balance for the holiday without fail within 24 hours from arrival at the holiday park.**

F. MOTORCYCLES

Motorcycles and quads are not allowed inside the holiday park. They have to be parked behind the reception.

G. SKATEBOARDS, BICYCLES AND SCOOTERS

The use of skateboards, bicycles and electric or non-electric scooters are not allowed in the pedestrian areas. Should this regulation be infringed, management reserves the right to confiscate the mode of transport. Their use is only permitted on the main streets. A moderate speed is mandatory.

H. PETS

Pets are not allowed in bungalows or maxicaravans, even if kept outdoors, and even on an occasional or temporary basis, except in maxicaravans Naturalgreen and Naturalgreen Garden and in bungalows Valpolicella and Lugana. Guests bringing pets to the holiday park must inform Management upon arrival. All pets must comply with health regulations; written proof must be shown at the check-in.

2) DURING THE HOLIDAY

All guests are required to wear the microchipped ID wristband, which contains their data.

Anyone found without the camping wristband may be asked to leave the holiday park.

At night, from 10 p.m. to 7 a.m., guests moving around the campsite must take their personal wristband and show it to staff when requested. In the event of conduct not in compliance with the regulations, members of staff may withdraw the wristband, which may be collected at reception the following day. In the case of the wristband being withdrawn from an under-age guest, the pass must be collected by a parent or guardian.

B. ABSENCE

Guests must inform Management each time they leave and return to the holiday park. Guests failing to do so will be charged for the period of absence.

Animals must not be taken into the playground, swimming pool area and all public areas.**

G. CARE OF CHILDREN

Management will not supervise the activities of guests who are staying at the holiday park. Supervision of children is the sole responsibility of parents (who will assume sole responsibility towards third parties) or guardians; Management and the owners of the holiday park are released from all responsibility in this matter. Parents and guardians must ensure that children do not cause damage or place themselves at risk at the holiday park, particularly around the lake and in the play area. Guests must observe the special regulations for the swimming pool area. Ball games are not allowed between tents, on roads or at the beach.

H. HYGIENE

The holiday park provides a full cleaning service, but also relies on guests to keep the park in the best possible condition. Please note that rubbish should be collected in sealed bags and placed in bins between 7 a.m. and 11 p.m. Remember that good rubbish sorting will make recycling easier. Guests must observe regulations on the use of sinks and wash basins. Toilet facilities must also be used correctly. Any damage resulting from improper use will be the responsibility of the guest.
