

Camping Sass Dlacia

Winter season 2017/2018

camping sass dlacia

The Camping Sass Dlacia is situated in the Dolomites at 1.690 meters above sea level, at the doorway of the natural park Fanes-Sennes-Braies. The campground, surrounded by fragrant pine woods and marvellous peaks, is a perfect starting point for your countless adventures outdoors. This is the right place for nature lovers, who enjoy experiencing the Dolomites with those little comforts that are the essence of an unforgettable holiday. Our Natura Wellness center is a place of relaxation where you can find peace and quiet; delicious culinary experiences await you in our restaurant-pizzeria or in the many options within walking distance; additional services include a TV and reading lounge, ski room, supermarket, laundry and a free ski-bus connection to the Dolomiti Superski resort is also available.

Natura Wellness Center

There are few things in the world like crowning a day spent outdoors in the Dolomites with a soothing sauna in a heart-warming ambience. Relax your muscles and restore your mind in our saunas or enjoy a skin cleansing hammam and rest your body in the warm and cosy relaxation area, while admiring the Conturines peaks in front of you. This is the place to leave all your worries behind and feel the overwhelming sense of well-being and relaxation. Our services include sauna infusions, yoga and balance flow sessions, Ayurveda treatments and massages.

You can find more information, opening times and prices online or simply call our reception. The Natura Wellness centre is also open to the public.
