CAMPING REGULATION

The stay in the campsite is calculated from whatever time on the day of arrival to 10:00 a.m. on the day of departure. Should the stay extend beyond that time (10:00 a.m.), an extra day will be charged.

ARRIVALS (CHECK-IN): from 8:30 a.m. Pitch set-up, including pitching tents and setting up camping equipment, is permitted no later than 11:30 p.m.

DEPARTURES (CHECK-OUT): by 10:00 a.m. By this time, the pitch must be completely cleared and guests must leave the campsite. The check-out time therefore refers to both vacating the pitch and leaving the property. It is not permitted to clear the pitch and remain within the campsite after 10:00 a.m.

The fee "big tent pitch" will be charged each time a tent of more than 2 places will be installed, regardless of the actual number of occupants. Two tents cannot be installed on the same pitch. Each tent installed will be charged the relevant occupied pitch. One or more tents in the caravan/camper pitch cannot be installed. The Caravan-Camper van rate includes one veranda, which must be connected to the vehicle. No cars or motorbikes are included in the Camper / Caravan price. Any vehicle used for sleeping is considered a camper van (car, SUV, etc.). Each tent installed will be charged the relevant occupied pitch. In certain periods of the season (e.g. in mid-August), a minimum period of stay may apply. Bookings by groups of minors (with no accompanying adult) shall not be accepted. Beach service available from July upon renewal of the annual concession. Self-service laundry with washing machines and dryers for a fee.

Camper service > free waste disposal; refueling of clear water for a fee.

Uninhabited Pitch For Temporary Use > the payment of pitch includes: the cost of 1 adult, with switch off of any electricity connection.

Visitors: The visitor fee applies to anyone entering the holiday village and campsite as a guest of a customer. A flat fee is charged per entry, with no reductions based on the visitor's age or length of stay.

Parking and equipment: Refrigerators and camping equipment are not available for hire. Cars and motorcycles must be parked in the designated on-site parking areas near the campsite, not on the pitch.

SERVICES INCLUDED IN THE PRICE

Reception and security: 24-hour reception, outdoor security patrols and one car/motorcycle parking space. Additional parking spaces are available at an extra charge; please refer to the campsite's price list for details. The campsite has two sanitary blocks with solar water heating, providing free hot water for personal hygiene.

Swimming pool and sports facilities: Access to the swimming pool with sun loungers and two adults-only Jacuzzi hot tubs; swimming caps are mandatory. A children's playground, a table tennis table and a tennis court are also available (with own equipment).
